This E*TRADE from Morgan Stanley 1099 Consolidated Tax Statement for 2025 provides your official tax information for use when preparing your tax return. It is important to note that the income information that was reported on your December account statement will not have included certain adjustments occurring after year-end but are reflected on your Form 1099 and are necessary for tax reporting purposes. If your Morgan Stanley at Work stock plan account migrated to an E*TRADE stock plan account in 2025, you may receive multiple tax forms for 2025: tax forms for your Stock Plan Account that reports all activity before the Migration, and additional tax forms for your E*TRADE Account that reports all activity after the Migration. Please note, there may be a slight timing difference in the availability of the two forms. Tax forms and documents for your Stock Plan Account will be accessible by visiting the At Work tab on etrade.com and selecting the "View historical account documents" link, while tax forms and documents for your E*TRADE account will be available in the Documents page. If your E*TRADE account does not meet the minimum IRS threshold for taxable activity, we'll post a notification under Documents > General Correspondence on etrade.com.

The following tax documents are not included in this statement and are sent individually in separate mailings, if required: Forms 1099-R, 1099-Q, 1042-S, 2439, 5498, 5498-ESA, Schedule K-1 and Puerto Rico Forms 480.6A, 480.6B, 480.6C and 480.6D.

E*TRADE from Morgan Stanley is pleased to provide you with the ability to download your tax information into the following individual tax preparation software applications: **TurboTax®** and **H&R Block Tax Software®**. To view gains and losses, simply go to the Gains & Losses page on etrade.com where you can find historical information for the current year and prior two years.

*** WARNING - CORRECTED TAX FORMS POSSIBLE ***

The Forms 1099 included in your E*TRADE from Morgan Stanley 1099 Consolidated Tax Statement were prepared based upon information provided by the issuer of each security. The issuer may change the tax status of a distribution reported to you after the issuance of this 1099 Consolidated Tax Statement. If that occurs, we may be required to send you one or more corrections.

*** SCHEDULE K-1 INFORMATION ***

You held a security in your account during 2025 which is required to send a Schedule K-1, Partner's Share of Income, Deductions, Credits, etc. The Schedule K-1 will be mailed to you directly from the partnership. It is important that you do not file your tax return until you receive all of your tax forms. The IRS deadline for partnerships to issue Schedule K-1 is March 15th. See the K-1 Tax Reporting page in this document for a listing of partnerships held in your account.

Morgan Stanley reports transactions in the Noncovered Securities with Undetermined Holding Period Section of the 1099-B portion of the 1099 Consolidated Tax Statement when the holding period or cost basis is not readily available, and therefore Morgan Stanley is not able to determine the appropriate holding period designation for these transactions. Please consult with your tax advisor.

SS This transaction represents the closing of a short sale. Under IRS regulations, short sales are reported on Form 1099-B in the year that the short sale is closed. The purchase or delivery of the security to close out the short position is a 1099 reportable event. The Date Acquired (box 1b) represents the date the security used to close the short sale was acquired (trade date). The Date Sold (box 1c) represents the date the security used to close the short sale was delivered into the account (settlement date). Cost Basis, Date Acquired, and the Short or Long Term designation are not required to be reported when the short sale is closed using noncovered securities.

PS This transaction represents the sale of an interest in a Publicly Traded Partnership ("PTP") or an entity which, when acquired in your account, was a PTP. PTPs are not considered "covered securities" under the IRS regulations related to cost basis and your cost basis in these securities is not furnished to the IRS. In general, a partner's cost basis in a PTP is adjusted for allocations of income, deduction, gain and loss, and for contributions to and distributions by the PTP. Because Morgan Stanley is not notified by the PTP of these adjustments, it is not feasible to provide accurate cost basis information for PTPs or entities which were PTPs when acquired. Therefore, to prevent client confusion or misinterpretation, cost basis will not be displayed on Form 1099-B when these securities are sold. You should refer to your own records and the information provided by the PTP on your Schedule K-1, and consult with your own tax advisor, to determine your cost basis in this investment.

K-1 TAX REPORTING

You held a Partnership or Alternative Investment in your account for all or part of Tax Year 2025.

A Schedule K-1 (Form 1065) or Form 1099, will be mailed to you directly from the issuer.

It is important that you do not file your tax return until you receive the proper tax form from the following partnership(s), assuming there was tax reportable activity during 2025:

Publicly-Traded Partnership Distributions

DESCRIPTION	CUSIP	SYMBOL	TOTAL DISTRIBUTIONS ¹	CLOSING POSITION AS OF 12/31/2025 ²

² Closing Position represents your year-end unit position for the Partnership held in your Morgan Stanley account as of 12/31/2025. The Partnership may send you an Ownership Schedule as part of your K-1 (Form 1065) statement, which may reflect your position across multiple accounts and financial institutions.
